Catarrh Cannot Be Cured
with LOCAL APPLICATIONS, as they
cannot reach the seat of the disease.
Catarrh is a local disease, greatly in-
fluenced by constitutional conditions, and
in order to cure it you must take an
internal remedy. Hall's Catarrh Medi-
cine is taken internally and acts thru
the blood on the mucous surfaces of the
system. Hall's Catarrh Medicine was
prescribed by one of the best physicians
in this country for years. It is com-
posed of some of the best tonics known,
combined with some of the best blood
purifiers. The perfect combination of
the ingredients in Hall's Catarrh Medi-
cine is what produces such wonderful
results in catarrhal conditions. Send for

THE HABIT OF TAKING COLD

With many people taking cold is a
habit, but fortunately one that is
easily broken. Take a cold sponge
bath every morning when you first
get out of bed—not too cold, but a
temperature of about 90 degrees F.
Also sleep with your window up. Do
this and you will seldom take cold.
When you do take cold Chamber-
lain's Cough Remedy will get rid of
it as quickly as possible. Obtainable
everywhere. d&w

When Bernhardt First Came.

Mme. Sarah Bernhardt made her
first appearance in America at Booth's
New York theater in 1880. She broke
contract with the Comedie Francaise
in Paris and was fined \$20,000, in or-
der to make her first tour of Great
Britain and America. Before return-
ing to Paris she toured North and
South America and all of Europe, ex-
cept Germany, refusing to visit the
latter country. From the first Mme.
Bernhardt was a favorite on this side
of the Atlantic and she was warmly
welcomed when she returned in 1887.

English Money.

The value of a dollar in English
money varies with the rate of sterling
exchange. Normally \$4.86 is equiv-
alent to £1 in English money. At the
recent rate of exchange the English
equivalent is about \$4.75. On this
basis \$50 would be worth in the neigh-
borhood of £10 10s. For easy figuring
we usually think of an English pound
as the equivalent of \$5 in United
States money.

CHAMBERLAIN'S COUGH REMEDY MOST EFFECTUAL

"I have taken a great many bottles
of Chamberlain's Cough Remedy and
every time it has cured me. I have
found it most effectual for a hacking
cough and for colds. After taking it
a cough always disappears," writes
J. F. Moore, Lost Valley, Ga. Ob-
tainable everywhere. d&w

work a coal range requires?

First there's kindling to cut. Then coal to
carry. Next a fire to build and wait for.

But worst of all after you have done your

ashes to carry out.
